Arkava Das

The German freak is the best institute. I had done A1 from a different institute back in 2019 but the concepts were never clear but since I've joined the German freak the concepts are much clearer and I'm seriously loving learning German from Vishakha ma'am.

TESTIMONIAL

Vishakha taught me A1 and paper was cleared without doubt. But since I am in Germany now, I am able to catch words, understand the meaning and the context around, and is all coz of how she taught the language. And I joined her class after taking a few sessions from a native... She definitely deserves the hype! Thank you so very much, Vishakha :)

Jyotika Karnani

German freak has been really helpful for me in learning German. I enrolled myself for A1 +A2 course. Vishakha ma'am teaching pedagogy is very unique which helped me to understand the language in a logical way which directly helped me to score gut grade in my A1 exam. I highly recommend german freak as your stepping stone towards german language.

Had the best experience learning A1 from her. She is super patient and gives enough exercises / assignments that you can completely depend on her. Most importantly, she inculcated a desire to learn German and the classes are always fun.I will definitely continue learning with her. Don't think twice if you want to learn German. Highly recommend :)
